Hello Vista Del Mundo Neighbors!

The VDMNA Board hopes 2024 is treating you well! We have several great events planned this year, including a new NeighborFest celebration this Fall. Dates for this along with other events (Movies in the Park, etc.), are enclosed here, as well as on VDMNA.com. Please plan to join us for the Annual Meeting of Residents on Tuesday, April 16th.

In order to host these events, we need your Member Contributions! An annual contribution of \$40-\$50 per household is necessary to support our community. In addition to hosting neighborhood events, we also utilize these funds to purchase supplies for the Spring and Fall Park Clean-Ups and to maintain the one median in our community for which no individual homeowner is responsible.

If you have not signed up to be a VDMNA member in the past year, please use the form on the back of this newsletter or the online form at VDMNA.com. You can provide your member contribution via Venmo (QR code and information on the right) or by mailing a check along with the membership form on the back.

In addition to financial contributions, you can also donate your time: Become a Member-at-Large, participate in Board Meetings, help execute events, or volunteer your time and energy with park and neighborhood clean-up efforts. We look forward to seeing you throughout the year!

Thank you for your care of VDMNA and each other,
Your VDMNA Board

Let me help you find your dream home

Do your part to maintain our property values!

Did you know that you are responsible for maintaining the area between your front yard and the road, as well as the area between your back or side wall and the road? These areas are NOT the responsibility of the city or the neighborhood association.

When owners do not maintain these areas, it hurts property values for all of us. You must remove weeds, as well as keep shrubs and trees trimmed to provide sidewalk passage without the need to duck or move to one side. If you do not regularly see your common area because it is behind a wall, please take a moment to investigate and make sure you are doing your part!
